

The Great Neighbor Shout-Out is an opportunity for Menasha residents to recognize their neighbors for their kindness or generosity, and for the community to celebrate the caring neighbors who make Menasha such a special place to live. As someone who is visible in the community, we would love for you to take a “selfie” video that could be used on social media to help spread the word about this initiative.

Here are a few ideas to get you started:

1. Give us your name, first name only if you prefer.
2. Give us your job title, place of business, organization, or anything you can share that will help Menasha residents place you in the community.
3. Offer from your perspective -- your job, your background, your experiences – a positive statement about living in Menasha, the overall feeling you get from the community and especially the people of Menasha.
4. Give a Shout-Out to a neighbor who has shown you or anyone else in your neighborhood a kindness or act of generosity. These can be a really big thing (“My neighbor Kim donated her second kidney to me!”), but can also be a small, simple thing (“My neighbor Jean shoveled my sidewalk for me when I was recovering from kidney transplant surgery”). Neighbors have been stepping up in important ways during the pandemic, and we want to hear about those, or anything pre-pandemic.

Please take a video of no more than 30 seconds. A simple cell phone video is great. There are a few options for submitting your video, but the simplest is share it with me via text messaging at (920)606-0842. Please send a separate text message letting me know it is on its way (in case there are problems and I don't receive it). If that doesn't work, there are some other options we can make happen.
