

Free Tax Help Available to Fox Valley Residents

Fox Valley residents with low or moderate incomes can receive free help in filing their electronic federal and state income tax returns.

The service, offered by AARP Foundation Tax-Aide volunteers in cooperation with the IRS and Wisconsin Department of Revenue, is available from January 29th through April 15th. Last year, Tax-Aide volunteers assisted over 2200 area taxpayers and their families.

Volunteers work with clients to prepare and file their returns. Taxpayers should bring all of their 2019 tax documents. Those interested in applying for the Wisconsin Homestead Credit should also bring their 2019 property tax bill or original 2019 Rent Certificate. Photo identification and Social Security documentation are also required.
