

Great Neighbor Shout-Out

Neighborhoodly acts of care and generosity make the world go 'round.

Running the snowblower down the block, sharing garden vegetables, lending a tool – we appreciate our neighbors for these simple kindnesses.

Amid a global pandemic, neighbors are supporting one another in new ways.

Let's recognize our Menasha neighbors! Great neighbors probably don't feel the need to be recognized, *but that doesn't mean they shouldn't be!*

Complete and mail in the form below. Your neighbor will receive a friendly recognition letter and someday, when it is safe to do so, we will celebrate in person!
